SHINJON CHOWDHURY

Web Developer

Experiences_

Academic Projects

- Real-Time GPS Tracker using ESP-32 (Currently Working).
- Web Based Employee Management System (Currently Working).
- Widows Based game "Rickshaw Rush"(Unity Engine).

Achievements

I successfully completed my Secondary School Certificate (SSC) and Higher Secondary Certificate (HSC) with commendable results. During my studies, I have actively participated in university-level programming contests, which helped me strengthen my problem-solving skills and exposed me to competitive coding environments. I have also been recognized among my peers for dedication and teamwork in group projects, demonstrating both technical ability and collaborative spirit. Beyond academics, I am committed to continuous self-learning and have started exploring Web Development, reflecting my aspiration to grow into a skilled computer professional.
